VENATIC SPECS

<div> <div></div> <div> <div></div> <div></div> </div> </div>					
<p>Venatic means “all things hunting” and that’s where we headed with this rifle. The new Venatic was designed specifically with the lightweight hunter in mind. The stock is an iota EKO X featuring thumb detents, a long grip, and a negative comb in a lightweight sporter style platform. The new Venatic also includes other premium build components hand-picked by our designers and long-range hunting enthusiasts including the newly released Stiller Wombat action, Benchmark 416R 5 groove stainless steel barrel, and TriggerTech trigger. This rifle is available in a variety of the industry’s most popular caliber options.</p>
